NEWSLETTER

Term One, Week 1
January 30th, 2020

From Brian's Desk

Dear Parents, Friends and Students,

Welcome everyone to the 2020 school year.

A new year inspires hope. It is a chance to set new goals, to learn more, to develop or deepen friendships, to participate more fully in school events and widen our understanding of the importance of each person to our school and parish community.

I welcome today, every child from St Margaret's School and wish them a happy and productive year of learning. In particular, I welcome new students to our school, our Year Prep children who begin their first year of their primary school, and also, their buddies, the Year Six children who are completing their final year.
